OEM

Sunrise Ins Ltd possesses the capability to create bespoke retail packing designs as **(OEM)** for clients seeking to market flavored cashew kernels. We can **tailor packaging solutions** to meet specific client requirements, including brand identity, target audience, and desired shelf appeal. Our expertise extends to utilizing a variety of materials, such as **stand-up pouches, bags, tins, and jars**, to ensure the ideal presentation and preservation of the flavored cashews. With a minimum order quantity of **one 40-foot container**, we can accommodate both large and medium-sized orders, enabling clients to effectively launch and distribute their **unique flavored cashew** products.

SERVICES

Sunrise Ins Ltd goes beyond simply supplying high-quality products. We prioritize **client satisfaction** by offering a range of value-added services. Before each shipment, our dedicated **quality control** team conducts thorough inspections to ensure that the products meet the **highest standards** and adhere to client specifications. We also facilitate visits to our processing partners' facilities, allowing clients to **witness firsthand the production** process and maintain transparency throughout the supply chain. Furthermore, we welcome client representatives to be **present during loading and inspections**, providing them with direct oversight and a sense of confidence in the entire export process.

Recognizing the diverse logistical needs of our clients, **Sunrise Ins Ltd** excels in providing comprehensive transportation solutions. While we offer traditional CIF terms with delivery to the designated port, we also possess extensive experience in **rail transportation**. Our expertise extends to loading products directly into **railway wagons**, enabling efficient and cost-effective delivery to destinations across **Central Asia**, including Kazakhstan, Uzbekistan, Turkmenistan, Kyrgyzstan, Tajikistan, and Mongolia. This strategic approach ensures that our clients receive their orders **promptly and efficiently**, regardless of their geographical location.
